

Asia's #1 Conference On Open Source

An
EFYGROUP
EVENT

www.osidays.com

13th Edition

OPEN
SOURCE INDIA

21-22
October
2016

NIMHANS Convention Center

BENGALURU

Open Source India (OSI) is the premier conference in Asia targeted at nurturing and promoting the Open Source ecosystem in the subcontinent

Started as LinuxAsia in 2004, OSI has been at the helm of bringing together the Open Source industry and the community since it's inception. The 13th edition of OSI, this year, aims to take this event a notch higher by focusing on the Open Source ecosystem in Asia, and more specifically, in India.

Who will attend?

- IT managers & heads
- Software developers
- CXOs
- Project managers
- Heads of organisations
- Academia/Students
- FOSS enthusiasts
- System administrators
- Open Source community
- Policy makers
- Delivery experts
- Government

about OSI 2016

One Convention. Many Events.

Bengaluru feels like home to Open Source India. OSI 2015 was held at the same venue and witnessed over-whelming response. So, we have decided not to let down our loyal participants for the next edition as well. So, Bengaluru it will be.. Yet again!!
